**Recommendation Letter**

To whom it may concern,

It is with much enthusiasm that I am writing to recommend the services of "Steps Towards Systemization".

We worked with "Steps Towards Systemization" on the following training programs:

- I. Awareness of the:
  - Quality Management System ISO 9001:2015
  - Environmental Management System ISO 14001:2015
  - Health & Safety Management System: OHS 45001:2018
  
- II. Implementation of the:
  - Quality Management System ISO 9001:2015
  - Environmental Management System ISO 14001:2015
  - Health & Safety Management System: OHS 45001:2018

We were fully satisfied with their performance, solution-led approach, and out-of-the-box thinking within the standard.

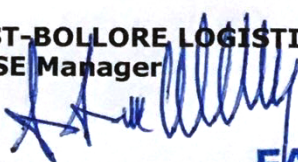

They performed an excellent job, were always punctual, and offered very good rates.

I would strongly recommend their services.
